

CHAPTER ADVOCACY UPDATE 10.23.19

Fellow ILASLA Members and Friends,

Your Executive Board and Advocacy Committee at ILASLA have been working diligently behind the scenes to make the Illinois Practice Act a reality.

Here's where we stand: The Practice Act will not be moving forward during the upcoming Fall Veto session due to ongoing deliberations with the Illinois Department of Financial & Professional Regulation. Please know that our work will continue, and we expect to have additional information to share regarding the Practice Act soon.

Thus, our first and foremost priority is to protect and extend the existing Title Act during the Fall Veto Session. This effort is time sensitive as the Title Act is set to expire on January 1, 2020.

You may receive information from the ASLA iAdvocate Alert system regarding the Title Act over the next few days, please review and act as instructed. Full participation from the membership is critical to the success of this effort.

Thank you for your continued focus and assistance on these critical matters.
