

ASLA
ILLINOIS

2024 Sponsorship Package
American Society of Landscape Architects,
Illinois Chapter

Welcome to 2024 with ILASLA!

We are back! 2023 was a full year of planning, education, and events. Front and center were the development of a Strategic Plan for 2023-2026, and working to reinstate continuing education credits for landscape architect registration. We also increased event participation and public awareness, especially surrounding our STEM designation.

We thank all our sponsors for their flexibility and partnerships!

We are your partner.

ILASLA is your “boots on the ground” for your representatives to reach our Illinois members and allied professionals who utilize landscape architects’ services. Our annual sponsorship opportunities are structured to maximize your investment by having several face to face events and ways to get involved in the Chapter.

Do we have an Annual Meeting? Not quite, but we do have Celebration+

Celebration+ takes place in the early fall to take advantage of the outdoors – where we belong! The dynamic affair showcases the profession and brings members and guests together at all levels of their careers.

It features an afternoon of field sessions, a cocktail reception, a ceremony highlighting outstanding landscape architecture projects, and a post-awards celebration. **Our folio**, featuring award-winning projects by Illinois Landscape Architects, accompanies the event and is a beautiful and collectible booklet.

Celebration+ is an add-on event to allow multiple opportunities to engage with and support the chapter.

Package Information

Since visibility opportunities kick off with our first events, the Annual Support campaign, which provides discounts, will be open from January 15 through March 1, 2024. Do you have questions or want to discuss a different type of sponsorship? Contact susan@il-asla.org or 630-833-4516.
